Welcome to Tender Loving Care

Tender love. Thoughtful care. A place to belong.

Established in 2019, Tender Loving Care is a family Child Care program serving Sacramento, Arden-Arcade, Carmichael, Del Paso Heights, and nearby communities.

Our Approach

Our mission is to inspire, educate, encourage, and motivate children to reach their fullest potential. We support confidence, creativity, and a lifelong love of learning in a nurturing environment.

The Owner draws inspiration from Howard Gardner's theory of multiple intelligences. Children have different strengths and ways of learning; TLC makes room for each child to discover their individual potential.

Getting started with TLC

Care options

TLC offers full-time and part-time Child Care, drop-in care, and flexible scheduling based on availability. School-age options, before- and after-school care, and summer programs may be available. Contact the Owner or staff to discuss your needs.

Meet the Owner

Owner holds a bachelor's degree in Mass Communication with a minor in Sociology from Mississippi Valley State University and an MBA from the University of Phoenix. She is continuing her education in Early Childhood Education. Her background includes business leadership and community advocacy.

Arrange your visit

Call (916) 396-5686 to discuss current availability and arrange a visit. Share your child's age, the days you need care, your preferred start date, and any questions you want to discuss.

Prepare for enrollment

Use the TLC family intake form and enrollment checklist to prepare for your conversation. Owner will confirm the enrollment documents that apply to your family. Complete official California forms separately and bring completed paperwork directly to TLC.

Before confirming a place

Discuss hours, tuition, fees, payment arrangements, attendance, illness policies, holidays, meals, pickup procedures, and the signed enrollment agreement directly with the Owner. This guide introduces the program; it is not an enrollment contract or a replacement for the approved policies.

Keep family information private

The website can create your intake PDF on your device. It does not send your answers to TLC. Save your copy securely and arrange a private handoff with the Owner.
